

Pupil Leadership

Ethos Advocates

Ethos advocates work to promote the vision and values of our school. They lead on initiatives, deliver collective worship and support the school leadership team in helping everyone to overcome all obstacles.

Pupil Advisory Board

The Pupil Advisory Board lead beyond our school across six departments. 12 pupils from each FA1 school meet half termly and influence how our trust values are lived out in school.

Children's Chaplains

Children's Chaplains promote positive mental health and wellbeing across our school. They take a pivotal role in delivery of collective worship, linked to our values.

Eco Advocates

Our Eco Advocates ensure that our school environment is a safe and purposeful place to learn. They work closely with our caretaker and Science and Geography lead to promote a cleaner, safer St Paul's.

Play Advocates

Our playtime advocates support pupils across our school to engage in positive play. They help to deliver our weekly challenges and encourage children to play purposeful and fun games.
